

## **ROCK ON THE SHIP (ROCKYBOOBYDOO)**

**I went to the Canaries over the sea,**  
I met a lovely girl and her name was Susie Lee  
She was so handsome and she was so fair,  
And she had flowers, in her golden hair.

### **CHORUS**

**Rock on the ship, Rock on a ship, Rock rock rock on a ship**  
**Rock on the ship, Rock on a ship, Rock rock rock on the ship**

**On the ship we were dancing all the night**  
And we were dining by dimming candlelight.  
She love to dance the rockyboobydoo  
And the rockyboobydoo, I love to dance it too

### **CHORUS**

**We were dancing the rockyboobydoo,**  
We not alone but with twenty couples too,  
We jumped to the left and we jumped it to the right  
Oh the rockyboobydoo, it was a great sight

### **CHORUS**

**So we were dancing a couple of days,**  
Enjoye the rockyboobydoo just all the way  
In beautiful Las Palmas we stepped ashore  
Oh we will rockyboobydoo for many times more

**CHORUS**

**One dav we were dancing on a Canary beach**  
We danced the rockyboobydoo all on a great feast  
The people they laughed and the people they dance  
Now the rockyboobydoo, has got a lot of fans

**CHORUS**

**And we sailed back on a beautifull dav**  
And we danced the rockyboobydoo al! on the long way  
When we arrived then she said goodbye  
But the rockyboobydoo, stays forever in my Iife

**CHORUS**

**So I was on the Canaries over the sea**  
With a lovely girl and her name was Susie Lee  
The rockyboobydoo she Iike to dance there  
But now she's gone with the flowers in her hair
