

THE WAVES OF THE SEA

CHORUS

**The waves of the sea, are like my heartbeat
Forever they go up and down
Waving, Foaming, Rolling and, Roaring
The waves of the sea are deep in me**

When I stand on a ship, and waves rolling by
The great game of wind and water
With colours in a pallet of green white and blue
Will give so much joy in my heart

CHORUS

When I walk on the beach, on a windless day
And little waves ripple the sea
The serene music of those tumbling waves
It's then in my heart will be peace

CHORUS

When big waves come rolling, forced by the wind
And break in a harmony of foam
Producing a great tune, that will never end
It's that tune what makes my heart beats

CHORUS
