

FRIENDS OF FOLK

We are the 'Friends of folk'
we are the 'Friends of folk'
we like to sing our lovely tunes
when we are on the road
We are the Friends of folk
we are the Friends of folk
we like to sing our lovely tunes
of whisky, and a smoke

We are the Friends of folk
we are the Friends of folk
we like to sing our lovely tunes
of sadness, love and woo

We are the Friends of folk
We are the Friends of folk
We like to sing our lovely tunes
Of mountains, lakes and home

We are the Friends of folk
we are the Friends of folk
we like to sing our lovely tunes
for you our pretty folk

We are the Friends of folk
we are the Friends of folk
we like to sing our lovely tunes
when we are on the road
