

WE LOVE TO SING

We love to sing some Irish tunes,
We sing them loud, we sing them clear
With guitar, box and mandolin
And lovely to hear

CHORUS

We sing them low, we sing them high
With a laugh and with a smile
With a tear and with a joke
We are the Friends of Folk

We love to sing some Scottish tunes
We sing them loud, we sing them clear
With bodhran, banjo ukulele
And lovely to hear

CHORUS

We sing them low, we sing them high
With a laugh and with a smile
With tear and with a joke
We are the Friends of Folk

We love to sing some shanty tunes
We sing them loud, we sing them clear
With cajon, frog, harmonica
And lovely to hear

CHORUS

We sing them low, we sing them high
With a laugh and with a smile
With a tear and with a joke
We are the Friends of Folk
