

WE'VE PASSED THE HOURS OF THE EVENING

We've passed the hours of the evening

With talks, laughter and songs

With great tunes of love

And great tunes of woo

But now they're nearly gone

CHORUS

We've passed the hours of the evening

It's time to say goodbye

We wish you safe home

We wish you goodnight

Until we meet again

We've passed the hours of the evening

Enjoying the ambience around

With Irish songs to hear

And fine songs to feel

T'was good to hear these sounds

We've passed the hours of the evening

We're here as good friends

Now the music will stop

But the tunes will go on

In your mind and in your heart

We've passed the hours of the evening

T' was good to be with you

So remember the songs

And remember the laughs

For now it's time to go home
